50 Essays: A Portable Anthology is the best-selling value-priced reader in the country because its virtues don't stop at the price. Its carefully chosen selections include enough classic essays to reassure instructors, and enough high-interest and high-quality contemporary readings to keep things lively and relevant for students. The editorial apparatus is more extensive than in competing value readers, but still is flexible and unobtrusive enough to support a variety of approaches to teaching composition. In its third edition, 50 Essays continues to offer selections that instructors enjoy teaching, at a price students won't resist, but with more editorial emphasis than before on the critical thinking and academic writing skills of today's composition courses.

The carefully chosen selections in 50 Essays include both classic essays and high-interest, high-quality contemporary readings to hold students' interest, inspire their writing, and prepare them to work with nonfiction at the college level. 50 Essays will help your AP® English Language students acquire the critical thinking and academic writing skills they need to succeed. AP® is a trademark registered and/or owned by the College Board, which was not involved in the production of, and does not endorse, this product.

In this elegant volume, literary critics scrutinize the existing Wallace scholarship and at the same time pioneer new ways of understanding Wallace's fiction and journalism. In critical essays exploring a variety of topics—including Wallace's relationship to American literary history, his place in literary journalism, his complicated relationship to his postmodernist predecessors, the formal difficulties of his 1996 magnum opus *Infinite Jest*, his environmental imagination, and the “social life” of his fiction and nonfiction—contributors plumb sources as diverse as Amazon.com reader recommendations, professional book reviews, the 2009 *Infinite Summer* project, and the David Foster Wallace archive at the University of Texas's Harry Ransom Center.

"As is usually the case with most graduation tales, this account focuses on growing up. With greater intensity than ever before, the narrator of the story is confronted with the fact that she is black. A surprising twist to the graduation ceremony helps her see what that fact means to her." -- p. 2.
