This convenient Portable Version of O'Connor/Sabato's American Government: Continuity and Change features all the content of the original comprehensive text split into four lightweight, paperbacks—Foundations, Institutions, Political Behavior, and Public Policy—plus new practice tests for students found at the back of each volume. Guided by the belief that students must first understand how American government developed over more than two centuries to fully understand the issues facing the United States today, O'Connor/Sabato offers the strongest coverage of both history and current events of any college textbook devoted to American politics. This best-selling book provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century. American Government: Continuity and Change, has been extensively revised to provide the most in-depth and current coverage of the 2006 midterm elections, the second George W. Bush administration, the Iraq War, and increasing controversies related to the conduct of the war on terrorism, including renewed calls for additional congressional oversight of the Executive Branch. The new edition also emphasizes the extent to which shared American values shape and affect policy and influence key political conflicts.

During the 2016 presidential election, America's election infrastructure was targeted by actors sponsored by the Russian government. Securing the Vote: Protecting American Democracy examines the challenges arising out of the 2016 federal election, assesses current technology and standards for voting, and recommends steps that the federal government, state and local governments, election administrators, and vendors of voting technology should take to improve the security of election infrastructure. In doing so, the report provides a vision of voting that is more secure, accessible, reliable, and verifiable.

American Government 2e is designed to meet the scope and sequence requirements of the single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get Connected module that shows students how they can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them.

Peterson's Master the GED: Social Studies Review offers readers an in-depth review of the subject matter for this particular GED test. A vital resource for pilots, instructors, and students, from the most trusted source of aeronautic information.

Threats to freedom of the press and the need for democratic dialogue are always greatest in wartime. At a time when the debate over the role of the free press is as contentious as ever before, John Byrne Cooke, son of the veteran journalist Alistair Cooke, delivers a must-read exploration of freedom of the press in wartime throughout American history. Reporting the War brings to life how the press has affected the course of some, but not all, American wars, how the government has tried to suppress opposing opinion, how the press has struggled, and continues to struggle to preserve the principles of the Founding Fathers. Cooke charts a fascinating journey from the American Revolution to the ongoing War on Terrorism.

Thoroughly and rigorously revised and updated through the 2018 elections by an author team of esteemed teacher-scholars. This text uses a consistent framework to reveal the strategies and choices that face candidates and other practitioners in the American political system.

Empirical puzzles get students thinking like political scientists.

American Government does more than any other text to get students to think analytically about American politics and government. The successful Five Principles of Politics framework integrated throughout the full and core versions helps students make sense of the material they encounter in the course, and the political information they encounter in their daily lives. In this 2008 Election Update Edition, sections have been thoroughly updated to reflect recent developments in American politics and a new election chapter provides an analysis of the pivotal 2008 electoral races.
