AffirmationsThe book also contains fifty positive affirmations, and we encourage you to say them aloud with your child every day. Why affirmations? These positive self-statements, when repeated over time, are capable of convincing a child that the statements are true. This is a powerful way to boost their self-esteem. Why is it important for young kids to know they

matter? Children can feel small and insignificant in a busy and complicated world, and begin to question their place in life. The affirmations found in this book can counteract this effect while allowing them to grow. As parents and educators, there are three important things that we can give to our children: good memories, a good education, and a sense of self-worth. Our team has created this book to help you to achieve these goals. There are no better memories than the times when we share books with our children. We hope that the positive messages and affirmations throughout

this book will improve your child's self-esteem. Lastly, we should here acknowledge that every story in this book would merit a book by itself; hopefully, these snippets will inspire you and your child to learn more about each person. Books for Black Children With vivid, compelling art and quotes, this book shows its readers that no matter what obstacles may lie ahead, they should never give up on their dreams. Simply, this beautiful book is about the potential within each of us to pursue our dreams and shape our own paths. It is a treasure to cherish with your family forever. We hope
