For Logan Anderson, moving on from a traumatic past means moving back to his hometown of Castle Rock, Colorado, to start a personal-security business with his brothers. But it's not long before Logan runs into Grace Mason, his best friend from high school...and the woman who never answered his letters during his Army years. Grace was pleasantly surprised to see Logan return to Castle Rock, despite their falling-out ten years ago. Everyone always assumed they would end up together, including Grace, who had eyes only for him. But as Logan eventually escaped their town, Grace got pulled further into her family's controlling grasp--and farther away from the man she loved. Now, united by scars both visible and not, the two must fight to free Grace from the suffocating hold of her family. But the Masons won't let go easily--and they'll do whatever it takes to keep the couple apart.

Ethan "Chaos" Watson never expected to use his skills as a former Navy SEAL and current search and rescue expert to track down Bigfoot. But when a paranormal investigator goes missing while filming in the mountains near Fallport, Virginia, Ethan and his team are called in to find the man. A task made harder when they're trailed by a camera crew. Camerawoman Lilly Ray was already reaching the end of her rope on the hockey, ridiculous paranormal shoot. Now the producer has ordered her to stick to the SAR team to get their every move on video. Admittedly not a hardship; she noticed Ethan her first day in town, and the more time they spend together, the more attracted she becomes. When the search stretches on for days, then weeks, it seems clear her co-worker didn't just wander off trail, getting lost in the woods. Foul play is evident, and soon, everyone on the cast and crew is suspect. As the team steps up their search, someone is equally determined to use the disappearance to their advantage. Then Lilly herself goes missing, and Ethan and his team will turn over every rock and leaf in the Appalachians to locate her...before it's too late. He wasn't looking for love, but it found him anyway--and he's not letting anyone take away the woman who's become his whole world. ** Searching for Lilly is the first book in the Eagle Point Search & Rescue Series. Each book is a stand-alone, with no cliffhanger endings.

Sadie Jennings was used to being protected. As the niece of Sean Taggart, and the receptionist at McKay-Taggart Group, she was constantly surrounded by Alpha men more than capable, and willing, to lay down their life for her. But when she visits her friend in San Antonio, and acts on suspicious activity at Milena's workplace, Sadie puts both of them in the crosshairs of a madman. After several harrowing weeks, her friend is now safe, but for Sadie, the repercussions of her rash act linger on. Chase Jackson, no stranger to dangerous situations as a captain in the US Army, has volunteered himself as Sadie's bodyguard. He fell head over heels for the beautiful woman the first time he laid eyes on her. With a Delta Force team at his back, he reassures the Taggart's that Sadie will be safe. But when the situation in San Antonio catches up with her, Chase has to use everything he's learned over his career to keep his promise...and to keep Sadie alive long enough to officially make her his.

Love is a life-and-death risk for the Mountain Mercenaries in New York Times bestselling author Susan Stoker's explosive series of alpha heroes, hot action, and hard passion... Ever since his rescue op off the Pacific Coast, Mountain Mercenary Gray Rogers hasn't been able to forget his latest "job"--Allye Martin. Any other woman would have panicked during a rescue, but the wily dancer kept her cool--even after being kidnapped by an elusive human trafficker. And Gray couldn't be happier when a grateful Allye follows him home to Colorado Springs... For Allye, finding sanctuary in the arms--and bed--of the former Navy SEAL is only temporary. People are disappearing off the streets of San Francisco, victims of the same underground trade that targeted her, and Allye could be the key to dismantling the entire operation. She's willing to do anything to bring them down. Gray isn't--for good reason. But you don't say no to a tough girl like Allye who refuses to play it safe. Now Gray is risking more than ever before. The Mountain Mercenaries have his back. But is it enough to keep the woman he loves out of harm's way?

For as long as she can remember, Ember Maxwell's life hasn't been her own. A world-renowned influencer, she's a brand unto herself, created by her parents--who also want Olympic glory for their only daughter. Years of grueling training have led to Seoul, Korea, and a spot on the modern pentathlon team. It's a turning point for Ember in more ways than one. Chafing against her parents' tight reins, she opts to stay in the Olympic Village, a decision that leads to a gravely harrowing event...and a man unlike any she's ever met. Craig "Doc" Wagner has actively avoided the spotlight since childhood, a trend that's continued with his career as a Delta Force soldier. Falling for someone whose entire life is splashed on social media is possibly the worst idea ever, though his attraction to Ember won't be denied. It's not long before he discovers they have plenty in common where it really matters...but he lives in Texas, and her life is in California. So Doc will take every stolen moment they can get. When Ember makes a few life-changing decisions, Doc is thrilled. The same can't be said for some of her biggest fans, including one who sees Ember's new direction as the ultimate betrayal...that should cost her the ultimate price. ** Shielding Ember is the 7th book in the Delta Team Two Series. Each book is a stand-alone, with no cliffhanger endings.

When Delta operatives Dash and Magic officially meet Holly and Stella--the women they've had their eyes on--it's hardly a conventional moment, but the fireworks are undeniable. Both men fall hard, fast, and deep, each planning a Valentine's Day their women will never forget. And they don't...but for reasons no one saw coming.

A missing woman leads the alpha heroes on their boldest mission yet in New York Times bestselling author Susan Stoker's searing Mountain Mercenaries novel. It's been ten years since Rex's wife, Raven, disappeared from a Vegas casino. Never losing hope, he even formed the Mountain Mercenaries to help find her--and other missing wives, sisters, and children. Now Rex and his fearless team are following a lead to Lima, Peru, where the rescue operation is greater than they imagined. A day at a time. That's been Raven's motto for a decade. Once held captive by an elusive sex trafficker, she has an indomitable will to survive. But Raven's not ready to leave Peru. She can't. Not yet. Because her liberation from the barrios comes with devastating consequences. One wrong move and all hope will be lost to an unimaginable hell. For the Mountain Mercenaries, the stakes have been raised. The threats are escalating. But Rex hasn't searched this long, risked so much, and come this far to lose Raven all over again.

Winner of the Pulitzer Prize for Drama and winner of the New York Drama Critics Circle Award for Best Play, this modern American classic is about family, and the legacy of slavery in America. August Wilson has already given the American theater such spell-binding plays about the black experience in 20th-century America as Ma Rainey's Black Bottom, Joe Turner's Come and Gone, and the Pulitzer Prize-winning Fences. In his second Pulitzer Prize-winner, The Piano Lesson, Wilson has fashioned perhaps his most haunting and dramatic work. At the heart of the play stands the ornately carved upright piano which, as the Charles family's prized, hard-won possession, has been gathering dust in the parlor of Berniece Charles's Pittsburgh home. When Boy Willie, Berniece's exuberant brother, bursts into her life with his dream of buying the same Mississippi land that his family had worked as slaves, he plans to sell their antique piano for the hard cash he needs to stake his future. But Berniece refuses to sell, clinging to the piano as a reminder of the history that is their family legacy. This dilemma is the real "piano lesson," reminding us that blacks are often deprived both of the symbols of their past and of opportunity in the present.

A poignant tale about one woman's quest to recover her family's history, and a story of loss and survival during the Holocaust. Consie is home for a funeral when she stumbles upon a family letter sent from Germany in 1945, which contains staggering news: Consie's great-uncle Hermann, who was transported to Auschwitz with his wife and three daughters, might have escaped. This seems improbable to Consie. Did people escape from Auschwitz? Could her great-uncle have been among them? What happened to Hermann? Did anyone know? These questions are at the root of Consie's excavation of her family's history as she seeks, seventy years after the liberation of Auschwitz, to discover what happened to Hermann. The Plum Trees follows Consie as she draws on oral testimonies, historical records, and more to construct a visceral account of the lives of Hermann, his wife, and their daughters from the happy days in prewar Czechoslovakia through their internment in Auschwitz and the end of World War II. The Plum Trees is a powerful, intimate reckoning with the past.
