Crazy as a Loom " Because every thread counts " SHOP. Who we are. about. All my life, I have wanted to weave. In truth, I was intimidated by all of it, and fascinated at the same time. Then, by chance, I heard of a basic weaving course, 8 Wednesday evenings in a row, about an hour and a half away. Something told me that if I didn ' t do it then, I never would. That was the beginning, and ...

Elegant patterns on a Rigid Heddle Loom are easier than you can imagine! Crazyshot - creative overshot weaving - introduces anyone who uses a rigid heddle loom to a whole world of creative weaving. Using just one heddle and one pick-up stick, you'll explore color, design, and texture, taking your weaving to the next level. Complete step-by-step instructions are included for weaving all 14 designs in this book. Also provided are how-tos for the single heddle overshot technique, reading charts for the rigid heddle loom, and finishing techniques, along with lots of tips and tricks for successful and satisfying results. Complex patterning is easier than it looks with this simple charted technique. All you need are basic rigid heddle warping and weaving skills to start your next weaving adventure! With one heddle and one stick, Myra Wood explores the art of working with ground and pattern wefts in this creative approach to rigid-heddle weaving. Known for her for colorwork across many mediums, Myra beautifully illustrates that complex does not have to be complicated. --Liz Gipson, Author of A Weaver's Guide to Yarn and other books for rigid-heddle weaving and the host of the Yarnworker School

New and experienced weavers alike are always on the lookout for new weave-structure patterns. The Weaver's Idea Book presents a wide variety of patterns for the simple rigid-heddle loom, accompanied by harness drafts for multishaft looms. The techniques include leno, Brooks bouquet, soumak, and embroidery on fabric. Each chapter contains weaving patterns along with swatches illustrating the techniques, accompanied by step-by-step photography. The book is arranged by structure or type of weave, from variations on plain weave to doubleweave. With traditional patterns from around the world, bands, and fabrics woven on two double heddles, The Weaver's Idea Book brings together a variety of ways to create exquisite cloth. Weaving tips and tricks help weavers at all levels achieve their textile dreams. In addition to pattern drafts, Jane offers project ideas that guide the reader through creating functional woven projects, from wearables to home decor. Weaving, especially on rigid-heddle looms, is enjoying a resurgence, and contemporary weavers are in need of a book to bridge the divide between basic books and complex text designed for advanced weavers with sophisticated tools. Celebrating the immense potential for creativity possible with the simplest of tools, The Weaver's Idea Book eBook opens new avenues for exploration on both the rigid-heddle and multishaft looms.

Rubber band looming is entertaining kids and adults everywhere. Bright colors, awesome patterns, and step-by-step tutorials make for an easy and fun jewelry crafting activity that everyone will love. For teachers and parents, there's also helpful guidance for working with kids in groups and on fundraising and community service projects. Enjoy hours of crafting with this fun and engaging book full of projects that everyone will love!

Sherwood Anderson, an important American novelist and short-story writer of the early twentieth century, is probably best known for his novel Winesburg, Ohio. His realistic and nonformulaic writing style would influence the next generation of authors, most notably Ernest Hemingway and William Faulkner. Walter Rideout ' s Sherwood Anderson: A Writer in America is a seminal work that reintroduces us to this important, yet recently neglected, American writer, giving him long overdue attention. This second volume of the monumental two-volume work covers Anderson ' s life after his move in the mid-1920s to " Ripshin, " his house near Marion, Virginia (where Volume 1 ended.) The second volume covers his return to business pursuits; his extensive travels in the South touring factories, which resulted in his political involvement in labor struggles and several books on the topic; and finally his unexpected death in 1941. No other existing Anderson biography, the most recent of which was published nearly twenty years ago, is as thoroughly researched, so extensively based on primary sources and interviews with a range of Anderson ' s friends and family members, or as complete in its vision of the man and the writer. Rideout uncovers much new information about events and people in Anderson ' s life and provides a new perspective on many of his works. This two-volume biography presents Anderson ' s many remarkable attributes more clearly than ever before, while astutely placing his life and writings in the broader social, political, and artistic movements of his times. Outstanding Book, selected by the American Association of School Librarians, and Best Books for General Audiences, selected by the Public Library Association Outstanding Academic Title, Choice Magazine Winner, Biography Award, Society of Midland Authors

When Sheriff Kyle DeLuth removes two youngsters from school because of the color of their skin, his cruel actions ignite a storm of protest among the women of the peaceful town of Lake Esther, Florida, that will change the town and all of their lives forever, in a story of racial segregation inspired by actual events. Reprint. 12,000 first printing.

Rigid-heddle weaving is simple to learn, is easy to master, and offers a lifetime of possibilities to discover! Inventive Weaving on a Little Loom covers everything rigid-heddle weavers need to know about the craft, from the basics — how to select a loom, set it up, and get started — to a wide variety of fun techniques that yield beautiful results. Begin by exploring a variety of weave structures, including finger-manipulated laces, tapestry, and color play with stripes, plaids, and multicolor yarns. Then move on to more complex designs and irresistible projects, from pillows and curtains to bags, shawls, and even jewelry. Explore warp-face patterning, weft-pile weaving, weaving with fine threads, woven shibori, shadow weave, and the textural effects you can create with different yarns and with wire and conductive thread. Everything you need to know is here, with fully illustrated step-by-step instructions to ensure success.

Meet Lucy—twelve years old, missing her best friend, and just waiting for an adventure to come her way. When Lucy discovers a mysterious package at her front door, she ' s certain it ' s meant for her. Never mind to whom it ' s addressed. She unties the green string and tears open the simple brown paper to reveal a loom—a golden magic loom. The magic loom leads her to a dusty bookcase and through a secret passageway, into an enchanted world. This new world is filled with fantastic creatures, castles, and vast, colorful landscapes. Lucy quickly encounters several challenges that she can only overcome with the help of her loom. She ' ll need to build a bridge, distract a giant beast, fly above an entire forest, and rescue a girl trapped in a castle. Lucy will have to use her imagination and a lot of creativity to come up with solutions that will work. She must focus on her mission and never give up, even when things seem impossible. This story rewards kindness and generosity, and emphasizes the importance of friendship and helping others. And for any young reader who loves the Rainbow Loom, this is a story to get them excited about reading, too! Discover a new adventure series with Rainbow Looms! Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

From the national bestselling author of Weave of Absence comes a mystery set in the Blue Ridge Mountains of North Carolina, where weaving studio owner Della Wright finds herself tangled up in murder.... Della and her friend Jenny are remodeling Dream Weaver, turning their shared business space into two separate shops. But after the work is completed, building inspector Howard Swanson refuses to grant Jenny the permit to reopen her coffee shop. Determined to get to the bottom of the hold-up, Della heads to Howard's office to defend Jenny's livelihood, only to find the inspector dead—and the police spinning a yarn about Della being responsible. Although Della's boyfriend, Matthew, an ex-FBI criminologist, claims there's no need to worry, Della is convinced that the cops have it in for her. Now she must nab the real killer before she's shuttled off to jail.... FEATURES WEAVING TIPS!
