The goal of the simulations is to provide real world accounting practice for students. The manual simulations are offered for teachers that do not have access to computers during class time. Eddie Ortega, DJ covers a Service Business organized as a proprietorship, and it may be completed after chapter 8. Completion time is 4 to 8 hours.

In a fascinating and comprehensive intellectual history of modern communication in America, Daniel Czitrom examines the continuing contradictions between the progressive possibilities that new communications technologies offer and their use as instruments of domination and exploitation.

This Encyclopedia is the first to compile pseudonyms from all over the world, from all ages and occupations in a single work: some 500,000 pseudonyms of roughly 270,000 people are deciphered here. Besides pseudonyms in the narrower sense, initials, nick names, order names, birth and married names etc. are included. The volumes 1 to 9 list persons by their real names in alphabetical order. To make the unequivocal identification of a person easier, year and place of birth and death are provided where available, as are profession, nationality, the pseudonym under which the person was known, and finally, the sources used. The names of professions given in the source material have been translated into English especially for this encyclopaedia. In the second part, covering the volumes 10 to 16, the pseudonyms are listed alphabetically and the real names provided. Approx. 500,000 pseudonyms of about 270,000 persons First encyclopedia including pseudonyms from all over the world, all times and all occupations Essential research tool for anyone wishing to identify persons and names for his research within one single work

A monumentally devastating plague leaves only a few survivors who, while experiencing dreams of a battle between good and evil, move toward an actual confrontation as they migrate to Boulder, Colorado.

In Musicians in Transit Matthew B. Karush examines the transnational careers of seven of the most influential Argentine musicians of the twentieth century: Afro-Argentine swing guitarist Oscar Alemán, jazz saxophonist Gato Barbieri, composer Lalo Schifrin, tango innovator Astor Piazzolla, balada singer Sandro, folksinger Mercedes Sosa, and rock musician Gustavo Santaolalla. As active participants in the globalized music business, these artists interacted with musicians and audiences in the United States, Europe, and Latin America and contended with genre distinctions, marketing conventions, and ethnic stereotypes. By responding creatively to these constraints, they made innovative music that provided Argentines with new ways of understanding their nation's place in the world. Eventually, these musicians produced expressions of Latin identity that reverberated beyond Argentina, including a novel form of pop ballad; an anti-imperialist, revolutionary folk genre; and a style of rock built on a pastiche of Latin American and global genres. A website with links to recordings by each musician accompanies the book.

First published in 1989, Routledge is an imprint of Taylor & Francis, an informa company.

In this book the full range of Eddie Adams's work in Indochina is revealed, and through never-before-seen pictures, articles written for publication by Adams, pages from his personal journals and other artifacts, one journalist's experience of the war in Vietnam is told in gripping detail.

A lively, entertaining, wide-ranging oral history of the golden age of the rock concert based on over ninety interviews with musicians, promoters, stagehands, and others who contributed to the huge cultural phenomenon that is live rock Decades after the rise of rock music in the 1950s, the rock concert retains its allure and its power as a unifying experience—and as an influential multi-billion-dollar industry. In Rock Concert, acclaimed interviewer Marc Myers sets out to uncover the history of this compelling phenomenon, weaving together ground-breaking accounts from the people who were there. Myers combines the tales of icons like Joan Baez, Ian Anderson, Alice Cooper, Steve Miller, Roger Waters, and Angus Young with figures less well known, like the disc jockeys who first began playing rock on the radio, like Alan Freed in Cleveland and New York; the audio engineers that developed new technologies to accommodate ever-growing rock audiences; music journalists, like Rolling Stone's Cameron Crowe; and the promoters who organized it all, like Michael Lang, co-founder of Woodstock, to create a rounded and vivid account of live rock's stratospheric rise. Rock Concert provides a fascinating, immediate look at the evolution of rock 'n' roll through the lens of live performances—spanning from the rise of R&B in the 1950s, through the hippie gatherings of the '60s, to the growing arena tours of the '70s and '80s. Elvis Presley's gyrating hips, the British Invasion that brought the Beatles in the '60s, the Grateful Dead's free flowing jams, and Pink Floyd's The Wall are just a few of the defining musical acts that drive this rich narrative. Featuring dozens of key players in the history of rock and filled with colorful anecdotes, Rock Concert will speak to anyone who has experienced the transcendence of live rock.

A classic underdog story about a local band that almost hits the big time. Everyone knows the price of fame. Hitless Wonder measures the price of obscurity. What happens when you chase a dream into middle age and, in doing so, risk losing the people you love?
