Nick Ortner, founder of the Tapping World Summit and best-selling filmmaker of *The Tapping Solution*, is at the forefront of a new healing movement. In his upcoming book, *The Tapping Solution*, he gives readers everything they need to successfully start using the powerful practice of tapping — or Emotional Freedom Techniques (EFT). Tapping is one of the fastest and easiest ways to address both the emotional and physical problems that tend to hamper our lives. Using the energy meridians of the body, practitioners tap on specific points while focusing on particular negative emotions or physical sensations. The tapping helps calm the nervous system to restore the balance of energy in the body, and in turn rewire the brain to respond in healthy ways. This kind of conditioning can help rid practitioners of everything from chronic pain to phobias to addictions. Because of tapping's proven success in healing such a variety of problems, Ortner recommends to try it on any challenging issue. In *The Tapping*

Solution, Ortner describes not only the history and science of tapping but also the practical applications. In a friendly voice, he lays out easy-to-use practices, diagrams, and worksheets that will teach readers, step-by-step, how to tap on a variety of issues. With chapters covering everything from the alleviation of pain to the encouragement of weight loss to fostering better relationships, Ortner opens readers' eyes to just how powerful this practice can be. Throughout the book, readers will see real-life stories of healing ranging from easing the pain of fibromyalgia to overcoming a fear of flying. The simple strategies Ortner outlines will help readers release their fears and clear the limiting beliefs that hold them back from creating the life they want.

Barkley the Bear is now ready to continue his family's business, which involves taking care of everyone in the forest. What a job! Barkley worries that he will not be able to provide the care necessary for everyone, but he soon finds out how easy it is to help others, and how much you can get in return. New York Times best-selling author Nick Ortner, along with Alison Taylor, take you on a memorable journey of what's most important in life: Kindness, hugs, and a little bit of work.

Raising children is life's greatest gift and accomplishment, but it can also come with an overwhelming amount of stressors, anxiety and self-doubt. Am I modeling the type of person I want my child to become? Am I doing enough to prepare my child to strive in an ever-changing world? Are my children happy and confident in themselves? In *The Tapping Solution for Parents, Children & Teenagers*, Nick Ortner encourages readers to first take a look at their own stressors and worry as parents, reminding readers that self-care is vital to helping others. In the first section of the book, parents are guided on using the revolutionary technique known as EFT (Emotional Freedom Techniques) Tapping to release

parental overwhelm, quiet worry, manage conflict and transform their experience of parenthood. In the second section, Nick explores specific uses for Tapping with children, ranging from releasing negative emotions like anger, fear and phobias, sadness, grief, guilt, and shame, to overcoming specific challenges such as anxiety disorders, sleep, nightmares, performance anxiety, bullying, school jitters, divorce and much more. Through the use of diagrams, links to videos, and Tapping tips, *The Tapping Solution for Parents, Children & Teenagers* is an easy-to-use resource to solve everyday issues taking place in our homes.

This book presents the research and evidence behind Emotional Freedom Technique in an easy-to-read manner and also offers client stories of their experiences. What is EFT, and what happens when you use it? Emotional Freedom Techniques, or simply EFT, is a powerful way to deal with unresolved issues, transform beliefs, and reprogram yourself for greater happiness and success. Commonly called "tapping," EFT has been utilized by thousands people worldwide. If you're holding this book, you've probably tried it at least once--or heard about it from a friend. EFT researcher and author Peta Stapleton, Ph.D., brings together the history and cutting-edge research of tapping. She also shows how tapping can be used for a whole host of ailments, including anxiety, weight issues, depression, trauma, and more. Dr. Stapleton's own groundbreaking study involving food cravings in overweight adults helped establish EFT as an effective, valid form of therapy. In *The Science behind Tapping*, you'll come away with a deeper understanding of what EFT is and how it can help you. The book starts with a beginner's guide to EFT, which includes tapping statements and phrases, as well as helpful charts showing the location of tapping acupoints on the face and upper body. After taking you through its many uses, Dr. Stapleton also explores the common obstacles to success with EFT--and how to combat them. Get ready to learn more

about EFT and its incredible possibilities.

The first book on "TFT" by its founder Thought Field Therapy (TFT) has already changed the way thousands of people have overcome emotional problems. Now, in *Tapping the Healer Within*, the founder of TFT shows readers how to harness its healing power on their own, to overcome phobias, anxieties, addictions, and other common psychological problems. The process combines principles of Western and Eastern healing methods, using energy points in the body to release emotional distress.

Dealing with grades, bullying, friendships, parents, crushes . . . it's enough to make any teenage girl wish she could snap her fingers and make it all go away. The good news is, you almost can—except it's not "snapping" but "tapping"! Formally known as Emotional Freedom Techniques (EFT), this revolutionary practice can help you reduce your feelings of anxiety and overwhelm, boost your confidence, and unpack the "stress backpack" you may not even know you're carrying. In *The Tapping Solution for Teenage Girls*, expert EFT practitioner Christine Wheeler explains the basics of the technique (it actually involves tapping, with your fingers, on energy points on your own body, and you can do it anywhere, anytime). Then she gives you simple yet powerful instructions for tapping on common challenges such as: Schoolwork, tests, grades, and planning for college Appearance and body image Dating, breakups, and dealing with sexual feelings Divorce, siblings, and blended families Throughout the book, comments from 16-year-old Cassidy, the author's teen consultant, keep it real with helpful perspectives on how this tapping thing works—and it does work! In these pages, you'll discover that a super effective tool for dealing with stress is literally at your fingertips. If you're ready to be true to yourself, stop freaking out, and keep being awesome, *The Tapping Solution for Teenage Girls*

is the perfect solution for you!

The teenage years hold all the promise of adulthood, as well as being a transition from childhood. Yet they're also full of challenges; for teens themselves, for their parents, siblings, communities and friends. A story in Examiner.com calls Emotional Freedom Techniques (EFT): "one of the most successful psychology self-help techniques ever developed." It's a powerful stress-reduction method that combines elements of proven psychotherapy methods with acupressure, fingertip tapping on acupuncture points. Over 100 scientific studies have shown that EFT is effective for many physical and psychological challenges, including anxiety, depression and stress. Studies with teens show that just a few minutes of EFT can erase stress related to: □ Taking exams □ Peer pressure □ Family conflicts □ The body changes associated with puberty □ Social phobias □ Sports performance □ Weight management □ Eating disorders□ and much more. For teens needing a quick and simple method of navigating their life challenges, as well as for their parents and siblings, EFT for Teens will be a cherished resource.

Children can learn a safe, simple way to deal with uncomfortable emotions. The solution is right at your fingertips! By tapping points on your body, a process done in the clinically proven EFT, together with guided responses, the wizard demonstrates how you can feel better in minutes!

The author uses two unique therapies called Energy Therapy and Emotion Freedom techniques (EFT) to help your children achieve instant freedom from negative emotions and limiting beliefs.
