Thirty-five years in the making, and destined to be the last word in fanta-film references! This incredible 1,017-page resource provides vital credits on over 9,000 films (1896-1999) of horror, fantasy, mystery, science fiction, heavy melodrama, and film noir. Comprehensive cast lists include: directors, writers, cinematographers, and composers. Also includes plot synopses, critiques, re-title/translation information, running times, photographs, and several cross-referenced indexes (by artist, year, song, etc.). Paperback.

How to go from a beginner to an expert birder Better Birding reveals the techniques expert birders use to identify a wide array of bird species in the field—quickly and easily. Featuring hundreds of stunning photos and composite plates throughout, this book simplifies identification by organizing the birds you see into groupings and offering strategies specifically tailored to each group. Skill building focuses not just on traditional elements such as plumage, but also on creating a context around each bird, including habitat, behavior, and taxonomy—parts so integral to every bird's identity but often glossed over by typical field guides. Critical background information is provided for each group,

enabling you to approach bird identification with a wide-angle view, using your eyes, brain, and binoculars more strategically, resulting in a more organized approach to learning birds. Better Birding puts the thrill of expert bird identification within your reach. Reveals the techniques used by expert birders for quick and easy identification Simplifies identification with strategies tailored to different groupings of birds Features hundreds of photos and composite plates that illustrate the different techniques Fosters a wide-angle approach to field birding Provides a foundation for building stronger birding skills

Largo Winczlav, born in Yugoslavia, is an orphan. Thousands of miles away from his native town, one of the richest men in the world will change his destiny. He has the same name as him, only slightly different: Winch. This man, Nerio Winch, wants to find an heir to his empire. He adopts Largo and, when Nerio disappears in dramatic circumstances, Largo inherits the biggest conglomerate of multinationals ever owned and managed by a single man. He is now worth 10 billion dollars, which is not to everybody's taste...

A boy recounts his annual summer trips to rural Illinois with his sister during the Great Depression to visit their larger-than-life grandmother.
