Book 3: Invitation To Series Consummate rake, Lord Richard Craven, has his heart broken when the woman he loves is forced into an arranged marriage to a violent brute. To make matters worse, circumstances force him to marry Lady Madeline Knight—a woman he views more like a sister-only for fate to play the cruelest of tricks.

One Good Lady Is About to Go Bad. . . The only thing Miss Melissa Goodly has ever wanted out of a marriage is love. But any hope of that dissolves one wild night, when she loses herself in the arms of the most irresistible--and unobtainable--man in all of England. For when they are discovered in a position as compromising as it is pleasurable, she has no choice but to accept his proposal. Avowed bachelor Anthony Craven, Earl of Wickham, never meant to seduce an innocent like Melissa. Yet now that the damage is done, it does seem like she'd make a very convenient wife. After all, she is so naive he won't have to worry about ever being tempted. Or so he thinks, until the vows are spoken and they are left alone--and his new bride reveals a streak just as brazen and unrestrained as his own. . .

Catch Me If You Can Plagued by scandalous rumors, Rheda Kerrich will stop at nothing to restore her reputation and make an honest living for herself--and she's determined to do it without a husband. But times are hard, and smuggling is a risky though profitable trade. So when a dashing agent for the English government catches her in the act, she desperately resists his charms and conceals her illicit profession. Until she realizes he may be the key to her ultimate freedom--and unbridled passion. . . Rufus Knight, Viscount Strathmore, has never had trouble beguiling the ladies of Kent. When his search for "Dark Shadow," a cunningly elusive smuggler, leads him to alluring and headstrong Rhe, her objections to his amorous advances merely incite a tantalizing game of cat and mouse. Soon, they'll find the very secrets driving them apart could ensnare them in a love they can't escape. . . "Passion, adventure, secrets and danger will keep you turning the pages." --Anna Campbell "A darkly sensual tale of intrigue, romance, and unexpected twists." --Lorraine Heath

New York Times bestselling author Sarah MacLean has taken the world of historical romance fiction by storm! With *A Rogue by Any Other Name*, she once again boldly breaks new ground. The first book in her remarkably fresh and original *Fallen Angels* series—featuring four dark Regency Era heroes who will steal the hearts of their heroines and the readers alike—*A Rogue* will captivate fans of Julia Quinn and Suzanne Enoch while bringing new romance readers eagerly into the fold. The scintillating story of a disgraced Marquess reduced to running a London gambling hall who hopes to restore his good fortune by marrying a very proper lady who's secretly drawn to sin, *A Rogue by Any Other Name* is sexy and wicked fun.

In the second novel in USA Today Bestselling author Bronwen Evans's sexy new *Disgraced Lords* series, two very independent souls find themselves fighting to resist a deepening passion. When Beatrice Hennessey sets out to confront Lord Coldhurst, the notorious rogue who killed her brother in a duel, her intent is to save her family from destitution. She's determined to blackmail the man into a loveless marriage. She'll make the wealthy Lord Coldhurst pay for the rest of his life. But while greeting his ship, Beatrice takes a tumble into the Thames—only to be fished out by a pair of strong masculine arms that tempt her to stay locked in their heated embrace forever. That is, until she realizes those arms belong to Sebastian Hawkestone, Lord Coldhurst himself. The little drowned mermaid has an interesting proposition indeed; one that Sebastian is surprised to find quite agreeable. Although he's had women more beautiful, she is pleasing to the eye, and besides, it's time he fathered an heir. Beatrice promises to be the ideal wife; a woman who hates him with an all-consuming passion is far too sensible to expect romance. However, it isn't long before Sebastian's plan for a marriage of convenience unravels, and he's caught up in the exhilarating undertow of seduction.

Hot? Hell, Yeah. If you ask Killian O'Brien, Hell gets a bad rap. True, he's a demon, so he's bound to be a little biased. But he's got great job security, all the women he can handle, a body to die for--literally--and free reign to do as he likes. Or he did, until teenager Daisy Reed and her two friends got hold of a book of spells and summoned him to do their bidding. Their demand: find Daisy's older sister, Poppy, a boyfriend. Can't be that difficult, right? It's not like the woman is unattractive. Truth be told, Poppy is irresistible--and mind-blowingly sexy. Which is exactly why finishing this simple little assignment so he can be sent back where he came from is turning out to be the hardest thing Killian's ever done. . . Praise for the novels of Kathy Love ". . .a compelling concoction of dread, desire, and delight." --Erin McCarthy on *What a Demon Wants* "Fangs for the Memories will make you laugh until milk comes out of your nose. No, really." --MaryJanice Davidson

From USA Today bestselling author, Bronwen Evans's flirty new contemporary romance series, the third *Coopers Creek* romance... Anna Spencer is over men.
