Companies today know that they must be competitive, but precisely where, and more importantly how, to compete is not always easy to identify—until now. *Compete Smarter, Not Harder* explains how to prioritize market opportunities so that a company's strengths in one area can be leveraged across multiple markets. Using cutting-edge academic research and extensive industry practice, author William Putsis outlines the strategic decisions needed to determine which space provides the best margins, overall profitability, and growth potential. Details a step-by-step process for strategic prioritization, from strategic market selection to the tactics of execution, providing competitive advantage across markets
