More students get accounting when using Weygandt's Financial Accounting, 9th Edition because of the unique Framework of Success created and refined by the authors based on years of teaching and course design experience. The Team for Success is focused on helping millennial students get the most out of their accounting courses in the digital age, and on helping instructors deliver the most effective courses whether face-to-face, hybrid, or online with model course plans designed for easy and effective implementation. Financial Accounting, 9th Edition by Weygandt, Kimmel, Kieso provides students with a clear and comprehensive introduction to financial accounting that begins with the building blocks of the accounting cycle. WileyPLUS sold separately from text.

The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

Intermediate Accounting: IFRS Edition provides the tools global accounting students need to understand IFRS and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting: IFRS Edition includes proven pedagogical tools, designed to help students learn more effectively and to answer the changing needs of this course.
