" The Candide of our #@\$/%?! age. " — Ken Liu, award-winning author Catherynne M. Valente, the bestselling and award-winning creator of Space Opera and The Girl Who Circumnavigated Fairyland returns with The Past Is Red, the enchanting, dark, funny, angry story of a girl who made two terrible mistakes: she told the truth and she dared to love the world. The future is blue. Endless blue...except for a few small places that float across the hot, drowned world left behind by long-gone fossil fuel-guzzlers. One of those patches is a magical place called Garbagetown. Tetley Abednego is the most beloved girl in Garbagetown, but she ` s the only one who knows it. She ` s the only one who knows a lot of things: that Garbagetown is the most wonderful place in the world, that it ` s full of hope, that you can love someone and 66% hate them all at the same time. But Earth is a terrible mess, hope is a fragile thing, and a lot of people are very angry with her. Then Tetley discovers a new friend, a terrible secret, and more to her world than she ever expected.
