Out of the Ashes is a free-to-play action game that will be coming out in November, but there are some paid options that will get players some bonus items and cosmetics.

Out of the Ashes is the definitive history of the Provisional Irish Republican movement, from its formation at the outset of the modern Troubles up to and after its official disarmament in 2005. Robert White, a prolific observer of IRA and Sinn Féin activities, has amassed an incomparable body of interview material from leading members over a thirty-year period. In this defining study, the interviewees provide extraordinary insights into the complex motivations that provoked their support for armed struggle, their eventual reform, and the mind-set of today ' s ' dissidents ' who refuse to lay down their arms. Those interviewed stem from every stage of the Provisionals ' history, from founding figures such as Seán Mac Stíofáin, Ruairí Ó Brádaigh and Joe Cahill to the new generation that replaced them: Martin McGuinness, Danny Morrison, and Brendan Hughes among others. Out of the Ashes is a pioneering history that breaks new ground in defining how the Provisionals operated, caused worldwide condemnation, and were transformed by constitutional politics.

"Out of the Ashes is a full-throated, stout-hearted call to arms—soul-stirring, uncompromising, and irresistible." —ROD DREHER, author of The Benedict Option "Out of the Ashes is an astonishing combination of energy, humor, insight, and exceptional erudition, topped off by a vivid personal style and a special gift for tweaking the nose of secularist nonsense-peddlers. If you ' re looking for a guide to our current cultural predicament (and how to fix it), one that ' s sobering and invigorating at the same time, start with this book." —CHARLES J. CHAPUT, O.F.M. Cap., Archbishop of Philadelphia "Anthony Esolen is one of our nation ' s best writers because he ' s one of our best thinkers. Out of the Ashes is vintage Esolen: eloquent, bold, insightful, profound." — RYAN T. ANDERSON, Ph.D., Senior Research Fellow, The Heritage Foundation, and author of Truth Overruled: The Future of Marriage and Religious Freedom What do you do when an entire civilization is crumbling around you? You do everything. This is a book about how to get started. The Left ' s culture war threatens America ' s foundation and its very civilization, warns Esolen in his brand new book, Out of the Ashes: Rebuilding American Culture. They will tell you that babies in the womb are fetuses, that gender is a social construct, and that the backbone of society is government not the community. In Out of the Ashes, Esolen outlines his surprisingly simple plan to take back American culture— start at home. Esolen urges us to demand a return to values in our homes, our schools, our churches, and our communities, and to reject political correctness. " We must become tellers of truth again—and people who are willing to hear truths, especially when it hurts to hear them. "

Nuclear holocaust destroys America, and an ex-soldier must rescue his family, lead a resistance, and rebuild the country—from a USA Today—bestselling author. The worst-case scenario has come to pass: a nuclear strike has crippled America. Gangs, looters, and vandals have seized the streets. The decent few can only pray for a leader to protect them. Luckily, one of the survivors is Ben Raines. Rebel mercenary, retired soldier, and tireless patriot, Raines is searching for his missing family in the aftermath of this devastating war. His relentless pursuit through the ruined cities of the west unites him with the civilians of the Resistance forces. They become his recruits for a revolutionary army dedicated to rebuilding America. Then comes the final outrage: an armed attack by government forces. With the fate of America's New Patriots hanging in the balance, Raines vows—government be damned—to survive, find his family, and lead this once great nation out of the ashes. First in the long-running series!

This story is not a story at all. It all happened. On New Year's Day Becky Morley begins to write her diary. By March, her world has changed for ever. Foot-and-mouth disease breaks out on a pig farm hundreds of miles from the Morleys' Devon home, but soon the nightmare is a few fields away. Local sheep are infected and every animal is destroyed. Will the Morleys' flock be next? Will their pedigree dairy herd, the sows with their piglets, and Little Josh, Becky's hand-reared lamb, survive? Or will they be slaughtered too? The waiting and hoping is the most agonizing experience of Becky's life . . .

BOOK ONE IN THE NEW YORK TIMES BESTSELLING SERIES Instant New York Times bestseller From #1 New York Times bestselling author Sabaa Tahir Amazon's Best Young Adult Book of 2015 People's Choice Award winner - Favorite Fantasy Bustle's Best Young Adult Book of 2015 "This novel is a harrowing, haunting reminder of what it means to be human -- and how hope might be kindled in the midst of oppression and fear." -- The Washington Post "An Ember in the Ashes could launch Sabaa Tahir into JK Rowling territory...It has the addictive quality of The Hunger Games combined with the fantasy of Harry Potter and the brutality of Game of Thrones."--Public Radio International "An Ember in the Ashes glows, burns, and smolders--as beautiful and radiant as it is searing."--Huffington Post "A worthy novel - and one as brave as its characters."--The New York Times Book Review Laia is a slave. Elias is a soldier. Neither is free. Under the Martial Empire, defiance is met with death. Those who do not vow their blood and bodies to the Emperor risk the execution of their loved ones and the destruction of all they hold dear. It is in this brutal world, inspired by ancient Rome, that Laia lives with her grandparents and older brother. The family ekes out an existence in the Empire's impoverished backstreets. They do not challenge the Empire. They've seen what happens to those who do. But when Laia's brother is arrested for treason, Laia is forced to make a decision. In exchange for help from rebels who promise to rescue her brother, she will risk her life to spy for them from within the Empire's greatest military academy. There, Laia meets Elias, the school's finest soldier--and secretly, its most unwilling. Elias wants only to be free of the tyranny he's being trained to enforce. He and Laia will soon realize that their destinies are intertwined--and that their choices will change the fate of the Empire itself.

This #1 internationally bestselling and award-winning memoir about overcoming trauma, prejudice, and addiction by a Métis-Cree author as he struggles to find a way back to himself and his Indigenous culture is " an illuminating, inside account of homelessness, a study of survival and freedom " (Amanda Lindhout, bestselling coauthor of A House in the Sky). Abandoned by his parents as a toddler, Jesse Thistle and his two brothers were cut off from all they knew when they were placed in the foster care system. Eventually placed with their paternal grandparents, the children often clashed with their tough-love attitude. Worse, the ghost of Jesse ' s drug-addicted father seemed to haunt the memories of every member of the family. Soon, Jesse succumbed to a self-destructive cycle of drug and alcohol addiction and petty crime, resulting in more than a decade living on and off the streets. Facing struggles many of us cannot even imagine, Jesse knew he would die unless he turned his life around. Through sheer perseverance and newfound love, he managed to find his way back into the loving embrace of his Indigenous culture and family. Now, in this heart-wrenching and triumphant memoir, Jesse Thistle honestly and fearlessly divulges his painful past, the abuse he endured, and the tragic truth about his parents. An eloquent exploration of the dangerous impact of prejudice and racism, From the Ashes is ultimately a celebration of love and " a story of courage and resilience certain to strike a chord with readers from many backgrounds " (Library Journal).

A powerful and moving fictional account of true events, by one of the most acclaimed children's writers of our time. This story is not a story at all. It all happened. On New Year's Day Becky Morley begins to write her diary. By March, her world has changed for ever. Foot-and-mouth disease breaks out on a pig farm hundreds of miles from the Morleys' Devon home, but soon the nightmare is a few fields away. Local sheep are infected and every animal is destroyed. Will the Morleys' flock be next? Will their pedigree dairy herd, the sows with their piglets, and Little Josh, Becky's hand-reared lamb, survive? Or will they be slaughtered too? The waiting and hoping is the most agonising experience of Becky's life...

"D'Andre is a great example of what it means to be BOLD and unapologetically transparent! I've watched him put his heart, soul, and secrets into this book in hopes that lives will be transformed and families restored. It's not often that you find men strong enough to be vulnerable and sensitive with topics dear to their hearts. This book is a must-read!" Jacob Marsh, Recording Artist & Music Producer

Short-listed for the 2003 Red Maple Award and Arthur Ellis Award for best Juvenile Book, commended for the 2003 Canadian Children ' s Book Centre Our Choice Selection Shelby Belgarden isn ' t exactly thrilled when people start thinking Greg is her boyfriend. After all, she ' s more interested in the athletic Nick Jarvis. But one day Greg suddenly becomes more interesting to Shelby – though for all the wrong reasons: Shelby begins to suspect that Greg is responsible for the series of arsons that have occurred in her small New Brunswick town in recent weeks. After finding out that Greg and his father had moved to this town after their old home burnt down – with Greg ' s mother inside – Shelby finds Greg ' s gasoline-soaked mitten near the scene of the latest arson. Shelby launches her own investigation into the crimes. As she does, she becomes aware that whoever is responsible may have been a victim of sexual abuse.
