Sister of My Heart is a novel destined to become as widely beloved as it is acclaimed. From the award-winning author of Mistress of Spices, the bestselling novel about the extraordinary bond between two women, and the family secrets and romantic jealousies that threaten to tear them apart. Anju is the daughter of an upper-caste Calcutta family of distinction. Her cousin Sudha is the daughter of the black sheep of that same family. Sudha is startlingly beautiful; Anju is not. Despite those differences, since the day on which the two girls were born, the same day their fathers died--mysteriously and violently--Sudha and Anju have been sisters of the heart. Bonded in ways even their mothers cannot comprehend, the two girls grow into womanhood as if their fates as well as their hearts were merged. Born in a big old Calcutta house on the same night, the wild, tragic night their fathers were both mysteriously lost, Sudha and Anju are cousins. Closer even than sisters, they share clothes, possessions, worries, dreams - and three mothers, who preside over the matriarchal Chatterjee household. But when Sudha discovers a terrible secret about their past, their mutual loyalty is sorely tested. A family crisis forces the mothers to start the serious business of arranging the girls' marriages, and the inseparable pair are torn apart. Sudha moves to her new family's home in rural Bengal, while Anju joins her immigrant husband in California. But nothing has prepared them for the pain, as well as the joy, that each will have to face in her new life. Rooted in Indian folklore and steeped in the mysticism of ancient tales, this bright, jewel-like novel shines its light on the bonds of family, on love and loss, against the realities of traditional arranged marriages, and the adjustments needed for modern life.
