He often exhorts us, 'Don't try to analyse Me, experience Me instead; dive deep into My life, and therein you will find pearls of supreme wisdom which you can use in your daily life.' This was one endeavour which was a regular feature at the Sri Sathya Sai Hostel, Prasanthi Nilayam - writing students' experiences with Baba and sharing through them the lessons for life that they have learnt. Through these writings by the students and staff, emerged facets of His personality, which have struck them the most, and transformed their lives
