The Belvedere is a Beaux Arts style building in Baltimore, Maryland. Designed by the Boston architectural firm of Parker and Thomas and built in 1902-1903, the Belvedere is a Baltimore landmark at the southeast corner of North Charles Street, facing north on East Chase Street in the city's fashionable Mount Vernon-Belvedere-Mount Royal neighborhood. In 1991 it was converted into condominiums, though areas remain open to the public.

You can leave Belvedere and Tiburon, but Belvedere-Tiburon never leaves you. Paige Peterson discovered that when she moved to New York City. For many years now, she has visited Belvedere, where she stays with her mother in the house her grandfather built on the Belvedere Lagoon. Paige and her sister packed sandwiches in paper bags and rode off on their bikes to explore the Tiburon Peninsula. Swimming, sailing, hiking, clamming, daredevil bike riding—their day was a long, unsupervised adventure. There was no interaction with parents until the Tiburon Fire Department blew the 4:30 whistle, signaling that it was time to head home. Her family's photographs confirm the story of fit, sun-kissed kids enjoying a charmed, idyllic childhood. Dave Gotz, the Archivist for the Belvedere-Tiburon Landmarks Society, deepens that personal story with archival photographs. His captions reveal his extensive knowledge of Tiburon Peninsula history: Mexican Ranchos, Portuguese dairymen, the many changes on Beach Road, Main Street, the Lagoon and the Cove, the importance of the railroad. Along the way, Paige and Dave showcase some of the area's remarkable characters. Tiburon's "Goat Lady," who so loved nature that she donated her land for open space. Blackie the horse. The artists who lived on West Shore and created a bohemian colony. And the residents of Belvedere and Tiburon who, again and again, rallied to protect open land and the special charm of their towns. Taken together, Paige's cinematic stories and Paige and Dave's curated

An Unexplained Death is an obsessive investigation into a mysterious death at the Belvedere—a once-grand hotel—and a poignant, gripping meditation on suicide and voyeurism “The poster is new. I notice it right away, taped to a utility pole. Beneath the word ‘Missing,’ printed in a bold, high-impact font, are two sepia-toned photographs of a man dressed in a bow tie and tux.” Most people would keep walking. Maybe they’d pay a bit closer attention to the local news that evening. Mikita Brottman spent ten years sifting through the details of the missing man’s life and disappearance, and his purported suicide by jumping from the roof of her own apartment building, the Belvedere. As Brottman delves into the murky circumstances surrounding Rey Rivera’s death—which begins to look more and more like a murder—she contemplates the nature of and motives behind suicide, and uncovers a haunting pattern of guests at the Belvedere, when it was still a historic hotel, taking their own lives on the premises. Finally, she fearlessly takes us to the edge of her own morbid curiosity and asks us to consider our own darker impulses and obsessions.

It seemed like a simple enough way to spend a summer - in the few weeks between school and university, David decides to spend his time fruit picking in the Norfolk countryside. But then he meets nine-year-old Abi and his life is changed forever. David's innocence meets Abi's adult understanding and the two develop a strong, but sometimes shocking bond as he helps her negotiate the horrors of her childhood. Set against a disturbing background of secrecy and child abuse, the heart-warming relationship between David and Abi is tested by rumour, threats and violence that reaches across the decades. Can their love survive the challenges which lie in their way? Or will their unconventional connection be severed by the actions of others and the demands of society?

Hotel Belvedere is a Belle Epoque hotel in Montreux on the shores of Lake Geneva. It was built by the Krugers and, in the last months of the 20th Century, it is still owned and run by the family: Vanessa, the grande dame and former opera singer; her daughter, the somewhat ailing Candice, and practical husband Thierry; Philippe, their playboy son, and Paloma the wayward daughter. Nearby, the rival Excelsior is owned by Karl Mercier, whom Candice “should have married”. There resides Dr DeBraye, a suave provider of medical services to society ladies. Below stairs in the Belvedere are Fosse the housekeeper, Concierge, Cook, and waiters and chambermaids. As the novel opens, a goatherd’s daughter, Odile, comes down from the mountain to become a chambermaid. She faces the swirling emotions of

management and staff with simple alpine good sense, and her future seems bright. But a secret from 30 years earlier emerges, when English waiter, Noel, moves from the Excelsior to the Belvedere. The hotels work towards the Millennium celebrations, as rivalries mount, mysteries surface, and romance springs. The crisis is reached as Storm Lothar descends on the lake, and one death brings clarity and resolution.

Dear readers, What can I tell you about Belvedere? Hes an old soul and an honest man. He knows the hardships of the world better than most, and hes watched it deteriorate for years. Now he stands to defend it, and in this dark time he calls upon you for help. He asks that you read these pages with an open mind and heart. Hes sacrifici ced everything to bring you this information, and there will be many more sacrifici ces to come. This book may have been labeled as fi ction, but only to protect its true nature. What you are about to read is very real. There are many forces that will stop at nothing to keep him silent. A war is upon us now, and Belvederes time is limited. Belvedere has begun a quest to expose a very dangerous and problematic truth; one that can potentially determine our fate. For his own safety, his identity remains a mystery, but in order to secure the preservation of our world, Belvedere must put himself in grave danger to uncover this truth. In a race against time, hell protect the one thing that he wants to see destroyed more than anything else: a mystical medallion that has devastated his own life, and also the lives of everyone hes ever cherished. This medallion is the only thing that stands between our salvation and extinction. If it falls into the hands of our enemies, they will wield the power to eradicate our species. Hes offering these pages to you as a means to prepare you for the battle ahead. As you read, youll learn the secrets of the medallion, but also why those secrets must be kept safe. The time for retribution is at hand, and the time to lead is now. A friend

The glittering and colourful opulent wares of the renowned eighteenth-century French royal Sèvres manufactory are prominently displayed in palaces and art galleries throughout the world. By contrast, the comparative delicacy and simplicity of the beautiful wares of the Vincennes porcelain works, out of which the Sèvres factory evolved, remain relatively unknwn, even to porcelain experts. This book is based on the Belvedere Collection of Vincennes and early Sèvres porcelain, started 40 years ago with the modest purchase of an early Vincennes cup and saucer, but which has since grown to be one of the world's most comprehensive study collections for the rare early pieces of these two factories.-- from the dust jacket.

Set in the Caribbean during the tumultuous 1790s, Belvedere is the story of Pierre Alexis, a young

romantic and idealist from Toulouse, who dreams of migrating to the French Antilles. Instead Pierre finds himself in Grenada, where the rivalry between the French and the British over who controls the island has reached a boiling point. Amidst this already tense atmosphere, an uprising led by French-speaking 'Free Coloureds' suddenly breaks out. Inspired by the French Revolution ideals of Liberty, Equality and Fraternity, the former slaves take up arms against the French and English ruling classes. But rather than helping to put the rebels down, Pierre finds himself sympathetic to their cause. Sharing in their revolutionary ethos, he takes a fateful step and joins them in their rebellion against the English. Although Pierre Alexis is a fictional character, Belvedere is loosely based on a real historical figure; a young Frenchman who took part in the Fedon Revolution in Grenada in 1795, joining the non-whites in their armed struggles against the British ruling class.
