Francisco. He raped, mutilated and tortured his unfortunate victims in one of the most vicious crime sprees in California history. This is the horrifying account of his bloody journey, of the strange coincidence that led to his arrest—and of the sensational trial where the Night Stalker's eerie sexual magnetism resulted in women actually demonstrating for his acquittal.

In the summer of 1985, the city of Los Angeles was held in a grip of terror by an elusive killer. He came at night entering through unlocked doors and windows, targeting houses at random, blending in with the shadows, as silent and deadly as cyanide gas. Brutalizing and robbing his victims, forcing them to swear to Satan, driven by heavy metal music and narcotics and what he believed was the power of Satan himself. It seemed no one was safe from who the press dubbed 'The Night Stalker.' This is a firsthand account of the authors ten-year correspondence with him on San Quentin's Death Row, where he awaited execution for twenty-three years before dying of natural causes on June 7, 2013. Packed with newspaper clippings, interviews, artwork from the killer himself, this book gets you up close and personal with the real Richard Ramirez. It is sure to surprise you.
