From the New York Times bestselling author of the Covenant and Lux series comes the pulse-pounding fourth novel in the electrifying Titan series. 'Jennifer L. Armentrout is such an amazing writer; my heart is still beating hard against my rib cage.' - Book Gossips 'A drum-tight sense of suspense and sexual tension from the first page to the last' Publishers Weekly History is on repeat... Seth never thought he'd have a future. Now he's on the brink of having it all: A tomorrow. A family. All that's standing in the way of that forever with Josie is the Titans. A price must be paid... For Josie, entombing the Titans is what she was born to do. But she also knows she's not fighting just for herself -- she's fighting for the man she loves, for their future, for the world. Together, Josie and Seth will face the unthinkable. And to win this war, the ultimate sacrifice must be made. For the end is here and the Prophecy will be fulfilled....

Josie's life is turned upside-down by the appearance of Seth, a sexy man who has made a deal with the gods and been assigned to protect her.

A bloody path has been chosen... The war against the Titans continues, and they remain determined to wreak havoc on the world, but Seth has become something all gods fear. Now the most dangerous, most absolute power no longer resides in those who have been freed from their tombs. The Great War fought by the few is coming... All may doubt and fear what Seth has become. All except the one woman who might be his final chance at redemption. Josie will do anything to prove that Seth is on their side, but fate has a nasty way of changing lives, of changing people. In the end, the sun will fall... The only way they can save the future and save themselves is by facing the unknown together. It will take more than trust and faith. It will take love and the kind of strength not easily broken. No matter what, their lives will never be the same. For what the gods have feared has come to pass. The end of the old is here and the beginning of the new has been ushered in...

Fans of the hit TV show Heroes will love Quantum Prophecy! Ten years ago, all the superhumans vanished. No one knows what happened to them--until now. Thirteen-year-olds Danny and Colin are shocked to discover that they are in fact the beginning of a renewed superhuman race. As they rise to take the place of the lost generation, the unimaginable truth behind the explosive final battle that occurred ten years ago between the superheroes and the supervillains is exposed. And when the past resurfaces, Danny and his fellow superheroes must face the new challenges that threaten their survival. On the run from everyone, and not knowing who is friend or foe, the one ability the new heroes are going to need most is the power to distinguish good from evil.

When the goddess Artemis goes missing, she is believed to have been kidnapped. And now it's up to Percy and his friends to find out what happened. Who is powerful enough to kidnap a goddess?

From the New York Times bestselling author of the Covenant and Lux series comes the second novel in the pulse-pounding, electric Titan series. In *The Return*, Seth and Josie's story ended on the ultimate cliffhanger. Now, things are about to get even more dangerous... The Covenant University has become the frontline for the escalating violence between pure-bloods and half-bloods. War between the races seems inevitable, and it couldn't come at a worse time. Seth must prepare Josie for battle, which means teaching her how to control her newfound demigod abilities...and they need to find and rescue the other demigods before their enemies - the Titans - find them first. Only one thing is more dangerous than a bunch of starved Titans, and that's an out-of-control Apollyon in the form of Seth. The aether in Josie is drawing Seth in deeper, and when lust mixes with love and gives way to power, he knows being close to her is becoming explosively dangerous. But letting her go requires a level of selflessness that just isn't Seth's style. When the danger from the Titans erupts with devastating consequences, the dark allure of power calls to Seth again - but this time, Josie may not be able to pull him back from the brink...

In a heartstopping new novel from *Fire & Flood* author Victoria Scott, one girl bets her entire future on a race that she has no hope of winning. How much can you rely on the family you're born into? What can't you accomplish with the family you make? Astrid Sullivan's family can't catch a break. Her grandfather played cards and her dad bet on the Titans -- half-horse, half-car that race around impossible tracks. They've lost their home, their savings, and each other. So when Astrid makes some new friends who give her the chance to participate in this year's Titan races, she wonders if it's worth risking everything. She never thought she'd even touch a Titan, and this one is first gen when the models racing are Titan 3.0s. There's no way for her to win... but with her family slipping away and her dad without work, Astrid can't help but feel like the only person she can bet on is herself. *Titans* delivers Victoria Scott's signature blend of incredible action and impossible odds, and will leave readers' hearts racing.
