Her belief is that we can each achieve greater happiness when focusing both on our dreams and on other people in our lives. In this inspiring book, Johnson directs her attention to teaching women, in particular, a three-step model for personal advancement and happiness. She first encourages us to Dare to boldly step out, to consider disrupting life as we know it. Then she teaches us how to Dream, to give life to the many possibilities available, whether to start a business, run a marathon, or travel the world. She shows us how to "date" our dreams (no need to commit!) and how to make space for dreams. Finally, Whitney's model brings out the businesswoman in her; she teaches us to Do, to execute our dreams. She showcases the importance of sharing dreams with others to give them life, creating your own "dream team." Rich with real stories of women who have dared to dream, Dare, Dream, Do offers a practical framework for making remarkable things happen.

One second, he had everything. The next, it was torn away. Oliver James was at the peak of his career, captain of the Baltimore Breakers, minutes away from winning another Cup. Then one hit had derailed all that. All he'd ever known was hockey, and he didn't know where he fit in a world where playing was no longer a possibility. But then he was offered a chance to bring hockey back into his life. A shot at starting over. The only condition of that second chance was required meetings with the team psychologist, Hazel. She was exactly the kind of woman he might have once lusted after—beautiful, kind, a body that screamed sex. She made him feel whole, like a man again. Except, she wasn't interested in him outside of being a patient. Well then, Oliver would just have to convince her otherwise.

Emily empathizes with mothers in the throes of exhaustion and provides tools for nourishing their spirits and achieving a life where less becomes more. She also presents some radical concepts that push against the tethers of modern life, with the promise that more of the good stuff comes when we say yes to less of what keeps us empty: Less Rush, More Rhythm Less Liking, More Loving Less

Noise, More Calm Less Distraction, More Connection Less Frenzy, More Soul Rest Less Fake, More Real Less Fear, More Community Less Great, More Good Less Chasing, More Cherishing Less Stuff, More Treasures Getting to more might require some outside-the-box changes, some unraveling of the patterns readers have adopted, and some reworking of the day to day. We were made for more--for a life of fullness, dreaming, and lasting joy.

"Sir, when the regulations of my country clash with the laws of my God, I must obey my God," Ivan declared. The general studied Ivan's face seriously. "Does that include the regulations of your army?" Religion was suppressed. Christians were forced to practice their faith secretly. Yet one teenage boy found the courage to stand up and speak boldly about his God. Not just to his friends or in a private church meeting but on a military base. In front of nearly 3,000 enlisted men . . . and one colonel. Foolish? Maybe. Risky? Definitely. But Ivan Gumenyuk had determined to follow God's calling, and right then God was calling him to be a missionary in the Soviet army. Like Daniel of old, Ivan faced trials that tested his faith to the limits. And, like Daniel, Ivan accomplished incredible things for God.
