Tony Franklin: I've played music all my life. When I picked up the bass (fretted) at age eleven, I had a good grounding in music and had also been playing gigs on and off for about 5 years. When I got that bass I knew it was "the instrument I'd been waiting for". I can still see moment in my mind.

Tony Franklin Signature Fretless Precision Bass. Fretless with Side Dot Inlays.

In reading this book, you will get a glimpse of my day-to-day life. The tirades (or stories) are based on true life events that have either pissed me off or made me think. No doubt, this book will make some of you uncomfortable and somewhat offended. Half of you won't make it through the first tirade. I don't care. But if you can keep reading, your uncomfot may release you and be a blessing from a maniac. I feel so many things go unquestioned or unanswered in the world. We live lives not of quiet despair , but of quiet slavery. We submit to a 9 to 5 , we submit to marriage and divorce, we submit to 2.5 children, we submit to our friends' dumb ass suggestions, we submit we submit . We witness things that piss us off and we do nothing. Yet, we will wait for someone to take up the mantle and speak out. Well, I could no longer wait for someone else to do what I should have done long ago. When I wrote the first tirade, I was pissed off. And while I was writing it, I had no intention of writing another (at least initially). But, the release was incredible - therapeutic. And the funny fucking thing was I really had something to say all be it in my own unique way. People wrote me to let me know I had tapped into something or touch a nerve. My friends wanted me dead..my family wanted me deader. But, everyone wanted more and I had more to say. So as you read this book, whether you are sitting on the toilet, in prison cell or in your cubicle at work, it really is my gift to you. Please let me know what you think. Hell, you may become the next subject of a tirade

Anthony Dominick Benedetto, born on August 3rd, 1926, Astoria, Queens, New York City, U.S, known professionally as Tony Bennett, is a singer of traditional pop standards, big band, show tunes, and jazz. Tony is also a painter, under his birth name Anthony Benedetto, his works being on permanent public display in several institutions, and founded the Frank Sinatra School of the Arts, in Astoria, Queens, New York.

Covering the identification, biology and relationships of all true shrikes, bush-shrikes, helmet-shrikes, wood-shrikes, shrike flycatchers, philentomas, batises and wattle-eyes this book offers

information on 114 species in 21 genera within the families Laniidae and Malaconotidae. For each genus, acoustic and visual signals are summarized and used to map similarities. The detailed species account for the bulk of the book, providing knowledge on field identification, plumage descriptions, geographical variation, moult, distribution, movements. general and foraging behaviour, food, sounds and breeding behaviour."

Read about the fascinating life of Benjamin Franklin in this beautifully illustrated version of his autobiography.

In this southwestern version of the Bremen Town Musicians, Buster Mesquite and his noisy new cowboy band have a run-in with some bandits.

The Fallen Angels Book Club has only two requirements: the members must love books and have a white-collar criminal record. Hollis Morgan fits the bill. Left holding the bag in an insurance fraud scheme concocted by her now ex-husband, she served her time and is trying to rebuild her life. All she wants is for the court to pardon her conviction so she can return to law school. After one of her fellow members is murdered in a scenario straight out of a club selection, Hollis is once again the subject of police scrutiny. Refusing to get stuck with another bad rap, she sets out to investigate her fellow club members. Is one of them really blackmailing the others? As a second member dies in yet another book-inspired murder, Hollis realizes that time is running out. Everything rides on her finding the killer--not just her career aspirations. She must identify the killer before she herself becomes the next victim. Everyone is convinced she knows more than she lets on. But what is it, exactly, that is she supposed to know? The Fallen Angels Book Club is the first book in an exciting new mystery series featuring amateur sleuth Hollis Morgan.

Discover the music that influenced some of the biggest stars in Music history in 10 Albums That Changed My Life, a personal, insightful and gloriously illustrated look at the music that matters the most to the artists who matter the most to you. More than a hundred musicians invite you backstage, each revealing in their own words the 10 albums that influenced their lives, their music and their futures. Artists from Punk to Classic Rock, British Invasion to Pop, and Heavy Metal to Modern Rock take the stage in this sonic coming-of-age adventure. With more than 1,000 albums illustrated and profiled, 10 Albums That Changed My Life shares wonderfully intimate perspectives and surprising selections. Consider Henry Rollins, the legendary front man for punk's Black Flag. Slipped into his list of heavy rockers, you'll find The Original Broadway Cast Recording of Hair. "I had this record in 4th or 5th grade. It was

## Get Free Tony Franklin

my mother's. I knew it was subversive and I probably shouldn't be listening to it and that's what made it irresistible to me. Besides, there is some great songwriting and performances on this album," Rollins says. From the Beatles' Sgt. Peppers Lonely Hearts Club Band to Pink Floyd's Wish You Were Here, Rolling Stone's Exile on Main Street to The Beach Boys Pet Sounds, Flatt & Scruggs The Original Sound to Jimi Hendrix Are You Experienced, the book is packed with classics and cool revelations. Featuring a Foreword by Rock And Roll Hall of Fame artist Nancy Wilson of Heart, 10 Albums That Changed My Life is a fun and fabulous page-turner, tuning into the music that made a difference. And still does.

Kaye's book is destined to become a classic. It will take its place among the best books about American slavery to appear in the last three decades. More than a study of ideology, the book is a plain-spoken and shrewd analysis of the day-to-day experiences of slaves in the Natchez District. Kaye's handling of evidence and interpretation is truly exemplary. This is a sterling book written with an admirable touch.'''---Michael P. Johnson, Johns Hopkins University, author of Abraham Lincoln, Slavery, and the Civil War ''This is a boldly conceptual and deeply empirical book that refigures and advances some of the most important historiographical debates of the past thirty years in scholarship on slavery in the United States. It is ambitious, smart, and compelling.'''

NEW YORK TIMES BESTSELLER • A complete meat and brisket-cooking education from the country's most celebrated pitmaster and owner of the wildly popular Austin restaurant Franklin Barbecue. When Aaron Franklin and his wife, Stacy, opened up a small barbecue trailer on the side of an Austin, Texas, interstate in 2009, they had no idea what they'd gotten themselves into. Today, Franklin Barbecue has grown into the most popular, critically lauded, and obsessed-over barbecue joint in the country (if not the world)—and Franklin is the winner of every major barbecue award there is. In this much-anticipated debut, Franklin and coauthor Jordan Mackay unlock the secrets behind truly great barbecue, and share years' worth of hard-won knowledge. Franklin Barbecue is a definitive resource for the backyard pitmaster, with chapters dedicated to building or customizing your own smoker; finding and curing the right wood; creating and tending perfect fires; sourcing top-quality meat; and of course, cooking mind-blowing, ridiculously delicious barbecue, better than you ever thought possible.
