Creato da David Lynch e Mark Frost, Twin Peaks è un telefilm di culto ricchissimo di spunti filosofici e metafisici. A farla da padrone è la celebre Loggia Nera, con i suoi bizzarri e sovente crudeli abitanti, ma anche il resto della serie offre diverse occasioni di riflessione. Essa ci consente di far scendere in campo correnti filosofiche (o "para-filosofiche") come la Kabbalah e lo gnosticismo, oltre che vari pensatori, tra cui Ludwig Wittgenstein e Martin Heidegger. Da un lato questo saggio fornirà un resoconto di ciò che è accaduto a Twin Peaks e soprattutto nella Loggia Nera — cioè mostrerà che le vicende e le simbologie di questo universo narrativo, considerate spesso confuse o incomprensibili, seguono una logica rigorosa e mai casuale —, dall'altro cercherà di far emergere la metafisica implicita e onirica di Twin Peaks e, per estensione, di tutta l'opera di David Lynch.

An unforgettable, in-depth tour of the town that captured America's imagination. This one-of-a-kind guide includes everything from Norma Jennings' cherry pie recipe to the type of tree the Log Lady's log is from to the Double R. Diner's Specials for the Week. Fully illustrated with photographs, line drawings, and color maps.

The strange and wonderful place of Twin Peaks captivated audiences for more than two decades before its long-awaited return to television in 2017. In this edited collection, the authors approach Twin Peaks from a variety of perspectives with the concept of the political at its center.

Filmmaker David Lynch's work is viewed here as patriotic and Puritanical. This Lynch is an idealistic conservative on a reformer's mission. Lynch promotes a return to the values inherent in a mythological America, but he indulges in a voyeuristic pleasure which he simultaneously condemns. Like Jeffrey peeking through the slats of Dorothy's closet in Blue Velvet, the viewer of Lynch's work is a rationalist plagued by his dreams; intrigued and repulsed, fascinated and judgmental, he both craves and resists cultural assimilation. Works presented include all features from Eraserhead to Mulholland Drive, shorts such as The Amputee and The Grandmother, and contributions to television such as Hotel Room and, of course, Twin Peaks. This study develops an idea of Lynch's politics, analyzes his work, and explores Lynch's paradox of condemning an immoral world through disturbing images and concepts, and touches on such points as the identifiable figure of evil in his works as well as the archetypes of the nymphet, well-meaning traditionalist, and struggling ethicist. Also included are a history of moralistic criticism in American literature and a review of existing Lynch criticism within this context.

Everything you ever wanted to know and more - in spades - about the American film director David Lynch.

David Lynch erupted onto the cinema landscape in 1977 with Eraserhead, establishing himself as one of the most original and imaginative directors at work in contemporary cinema. Over the course of his career, he has remained true to a vision of the innocent lost in darkness and confusion, balancing hallucination and surrealism with a sense of Americana that is as pure and simple as his compelling storylines. In this volume, Lynch speaks openly about his films as well as about his lifelong commitment to painting, his work in photography, his television projects, and his musical collaborations with Angelo Badalamenti.

Mark Frost, cocriador de Twin Peaks, volta à cultuada série neste livro que mistura ficção e realidade para desvendar os mistérios que rondam a pequena cidade americana. Lançada em 1990, a cultuada série Twin Peaks, de David Lynch e Mark Frost, tem milhares de fãs pelo mundo. Após o anúncio da terceira temporada, retomada 25 anos depois do assassinato de Laura Palmer, Mark Frost lança A história secreta de Twin Peaks, livro imperdível para fãs e curiosos. A obra, escrita numa narrativa inventiva e nada convencional, apresenta um dossiê compilado por um Arquivista desconhecido e enviado pelo FBI para a agente TP, com o intuito de descobrir a identidade por trás da montagem dessa documentação. Com recortes de jornal, trechos de diários, informações secretas e arquivos do FBI, o livro conta com informações valiosas para que o leitor possa ir fundo e saber mais do que ninguém sobre episódios e personagens da série. E, quem sabe, desvendar tudo o que está por trás dos misteriosos acontecimentos nessa icônica cidade do noroeste americano.

An einem trüben Februarmorgen finden sie sie am Flussufer mit Sandkrümeln in den Haaren, eisblau verfärbten Lippen, in eine Plastikfolie verpackt und auch als Leiche immer noch unerhört schön: Laura Palmer. Der Mord an der Schülerin bringt nicht nur das Leben im idyllischen Twin Peaks aus dem Gleichgewicht. Er erschüttert auch die Fernsehwelt, wie man sie bis 1990 kennt. David Lynch und Mark Frost etablierten mit "Twin Peaks" eine neue TV-Ästhetik und schufen mit den langen, verworrenen Erzählsträngen und den vielschichtigen Charakteren geradezu eine neue Rolle des TV: Serien als die Romane des postmodernen Zeitalters. Was macht "Twin Peaks" so faszinierend? Gunther Reinhardt zeichnet die Entstehungsgeschichte der Serie nach und stellt zentrale Handlungsmotive, narrative Besonderheiten, die besondere Ästhetik, die Charaktere und Serienmacher vor. Fans und Neulinge kommen auf ihre Kosten.

Twin Peaks creator David Lynch offers his many fans the chance to see the peculiar, private land of Lynch--sketches that led to many of his famous film images, short pieces of fiction, personal artwork, and photos of his unusual obsessions (spark plugs, dental surgery, bald women). 200 b/w illustrations. Two 16-page 4-color inserts.
