The Victorian age began as an age of realism, in literature and art, and of nationalism and romanticism in music and culture. By the end of the century, however, the high noon of Victorian culture was starting to give way to more disturbing developments - the disintegration of musical tonality, the emergence of abstract art, the eruption of the 'primitive' into cultural styles and the arrival ...

A Victorian Phenomenon The origins of the middle classes have been debated for decades and have been ascribed to many periods of time. Indeed, as far back as the 17th and 18th centuries, there were sections of society that were neither part of the aristocracy nor part of the poor lower classes. The phenomenal rise in the number of middle-class

even the telephone. The era of Queen Victoria's reign, though, had some pretty bizarre happenings too.

In *The Technology of Orgasm*, Rachel Maines offers readers a stimulating, surprising, and often humorous account of hysteria and its treatment throughout the ages, focusing on the development, use, and fall into disrepute of the vibrator as a legitimate medical device.

Recent books and exhibitions have shown that Victorians were not so straitlaced about sexual matters as has been popularly assumed. Ellen Bayuk Rosenman's engrossing and

Bookmark File PDF Used For Their Pleasure Victorian Historical Erotica

enlightening book proves that the Victorians were extraordinarily articulate and resourceful when it came to expressing their sexual desires. Narratives of erotic experience were written, justified to the conservative culture, and circulated for the pleasure of readers. Rosenman's exploration of masculinity and femininity in Victorian sexual storytelling includes an account of the "spermatorrhea panic" that terrified the men of Britain, tells of Theresa Longworth's erotic revisions of the romance plot, and takes up the exhaustive, even exhausting, pornographic epic *My Secret Life*. Drawing on social history, court cases, medical literature, popular novels, and the diaries and letters of everyday life, Rosenman looks beyond the usual sexual suspects—homosexuals and prostitutes, for example—to

address a range of pleasures that emerged from the ideological structures meant to contain them. She asserts that, however powerful ideology is, it does not script erotic repertoires in definitive or predictable ways, and that individuals can find ways of evading or easing its constraints.

A smart, provocative account of the erotic current running just beneath the surface of a stuffy and stifling Victorian London. At the height of the Victorian era, a daring group of artists and thinkers defied the reigning obsession with propriety, testing the boundaries of sexual decorum in their lives and in their work. Dante Gabriel Rossetti exhumed his dead wife to pry his only copy of a manuscript of his poems from her coffin. Legendary explorer Richard Burton wrote

Bookmark File PDF Used For Their Pleasure Victorian Historical Erotica

how-to manuals on sex positions and livened up the drawing room with stories of eroticism in the Middle East. Algernon Charles Swinburne visited flagellation brothels and wrote pornography amid his poetry. By embracing and exploring the taboo, these iconoclasts produced some of the most captivating art, literature, and ideas of their day. As thought-provoking as it is electric, *Pleasure Bound* unearths the desires of the men and women who challenged buttoned-up Victorian mores to promote erotic freedom. These bohemians formed two loosely overlapping societies—the Cannibal Club and the Aesthetes—to explore their fascinations with sexual taboo, from homosexuality to the eroticization of death. Known as much for their flamboyant personal lives as for their controversial masterpieces, they

Bookmark File PDF Used For Their Pleasure Victorian Historical Erotica

created a scandal-provoking counterculture that paved the way for such later figures as Gustav Klimt, Virginia Woolf, and Jean Genet. In this stunning exposé of the Victorian London we thought we knew, Deborah Lutz takes us beyond the eyebrow-raising practices of these sex rebels, revealing how they uncovered troubles that ran beneath the surface of the larger social fabric: the struggle for women ' s emancipation, the dissolution of formal religions, and the pressing need for new forms of sexual expression.

the social and mental mechanisms of power that cause us to direct the questions of what we are to what our sexuality is.

How to Do Things with Books in Victorian Britain asks how our culture came to frown on using books for any purpose other than reading. When did the coffee-table book become an object of scorn? Why did law courts forbid witnesses to kiss the Bible? What made Victorian cartoonists mock commuters who hid behind the newspaper, ladies who matched their books' binding to their dress, and servants who reduced newspapers to fish 'n' chips wrap? Shedding new light on novels by Thackeray, Dickens, the Brontës, Trollope, and Collins, as well as the urban sociology of Henry Mayhew, Leah Price also uncovers the lives and afterlives of

Bookmark File PDF Used For Their Pleasure Victorian Historical Erotica

anonymous religious tracts and household manuals. From knickknacks to wastepaper, books mattered to the Victorians in ways that cannot be explained by their printed content alone. And whether displayed, defaced, exchanged, or discarded, printed matter participated, and still participates, in a range of transactions that stretches far beyond reading. Supplementing close readings with a sensitive reconstruction of how Victorians thought and felt about books, Price offers a new model for integrating literary theory with cultural history. *How to Do Things with Books in Victorian Britain* reshapes our understanding of the interplay between words and objects in the nineteenth century and beyond.
