Here are the general steps to deploy a subscription version of Visio to users in your organization: Purchase Visio Plan 2, with enough licenses for each of your Visio users. Sign in to Office 365 and assign licenses for Visio to those users. Have your users sign in to Office 365 and install Visio from the Software section of the Office 365 portal. Users have to be local administrators on their computers to install Visio.
